

# Understand Your Medicare Options

Your most important decision may be whether you want to choose traditional Medicare (Parts A and B) **OR** Medicare Advantage Health Plan (Part C).

## Original Medicare (Parts A & B) Fee-for-service

Medicare pays set fees for your care directly to the doctors and hospitals you visit. Some people call this “fee for service” Medicare.

**OR**

## Medicare Advantage (Part C) Health Plan

Medicare pays a fixed fee to private companies for your care and these plans then pay your providers. Part C replaces your A & B coverage.
